MONTHLY NEWSLETTER

ISSUE NO 167 | OCTOBER - 2022

Kitchen news: With summer cookouts wrapped up we are getting ready for fall Harvest Wednesdays. We already have had homemade stew with fresh biscuits. It was our pleasure to make small, individual, homemade chicken pot pies. Apple and pumpkin are great Autumn flavors to think about on our menu!

A big thank you to Sally Borsenik for bringing in the butterflies for residents to experience the amazing process from the chrysalis to the joyful release into the world. Sally's son, Mark, is seen here letting the butterfly rest on his hand and then releasing it onto the flowers. Thank you, Sally, for being so thoughtful.

Resident of the Month: Margaret Baudoux

Margaret was born to John and Mary Goidoski. She grew up on a farm. Margaret was married in 1955 to husband, Daniel Baudoux. Margaret's husband worked as a tile layer and also worked at the Gray Iron Foundry in Saginaw. Together they had one daughter, Lori, and four sons; Dan, Rick, Bob and John. Margaret was on both a bowling and golf league with friends which she enjoyed very much. She also enjoyed bingo from time to time. Margaret worked out of the home for a while but was most of the time a stay at home mom. Her best times were always spent with family and friends. Margaret and Daniel have five grand children; Rickie, Tracey, Adam, Molly and Josh.

Welcome Margaret as our October resident of the month. We are blessed to have you with us as part of our Union Court family.

We are in need of greeting cards of all types (except Christmas cards).

If you happen to have extra to donate it will be greatly appreciated.

You may drop them off in the activity office.

Employee Service Excellence Recipient of the Month:

Nancy Flores

“Leon and I have been married 24 years. We have 2 children, Joey (an online artist) and Naomi, (a student becoming an R.N. next December) and a puggle, Apollo. In my free time I love T.V. and movies, cooking, baking, gardening, and occasionally playing piano and guitar, drawing, photography and crocheting. I do love singing anything that has lyrics as well. I have enjoyed working for UC for the last 11 years and meeting so many great people. I also love that it's in walking distance of home. I really have too many interests and not enough time, right?”

We all appreciate the hard worker that Nancy is. She is thorough and always willing to step in to help. The residents adore her and staff like working with her. Congratulations, Nancy!
